

ARMOR
CONTRACT MANUFACTURING

Stamping

One-stop solution for
light to heavy gauge stamping

Armor Contract Fabrication and Manufacturing is your one-stop metal stamping solution for a wide variety of custom designed, engineered products.

We are experienced in both large and small production runs, large scale units, and building to government specifications.

Armor Contract Manufacturing is fully integrated to meet all industry standards, including automotive specifications, quality requirements with documentation, and traceability of materials through the entire process.

- Heavy Gauge Stamping
- Custom Metal Stamping
